

Wayman A.M.E. Church Announcements

Week of September 20th, 2020

Prayer Call in every Wednesday at 6am and 7pm.

57 Days of Prayer – Pastor challenged members to 57 days of prayer leading up to the Election on Nov 3. Please pray at noon if you can, if you can't, pray when you can!

This week's word from Pastor Ray was titled: "How Are Your Giving and What Are You Willing To Give?" (*see below a short summary of the message*)

Presiding Elder is challenging us to be consistent givers! When you give to God gives back to you. If you have a clinched fist in your giving, God will be stingy with you. If you are generous, God will pour blessings back into your life. Think about the things God gives back with your giving, your time and your talent. You will have everything you need because God knows your needs. The door will open to you and you will see the blessings and the overflow and running over part is to share with others to bless them as this will give thanksgiving to God! We need to have an attitude of giving. Give based on how you see God not by what you see In Your wallet! If you view what God can do more than we can fathom then we will give because we trust God with what we have! God owns it all! (Read 2 Corinthians 9:6-11)

Is your attitude right? Are you seeing it as God working through you to bless somebody else? Some of us hold back for some reason, but every time we turn around there are blessings on blessings and we have to not be selfish but give with a sense of thanksgiving. We have to be willing to give without restrictions! look at our giving as God take this and multiples it so we can see the blessings that God has stored up for us, But it is tied to our attitudes in our giving. Others will be blessed! How are you giving and what are you willing to give? Love the unlovable! This is your opportunity to shine! This is only a test! You know what you need to do to give!

Church School Convention will only convene for 4 hours on Saturday morning, September 26, 2020. Further information regarding the time is forthcoming. **Please register today or send Sis Dena Whiten an email or text and she can register you as soon as possible.**
